

GLP1 Prescriptions - How it Works

Just 3 easy steps to get compounded GLP1s from a reputable source at a great price!

STEP 1: Register

- Sign up to become a GLP1 patient of Village Apothecary by completing this HIPAA compliant form: www.villageapothecaryrx.com/weightloss/new
- Please complete the form **even if you are currently our patient**

STEP 2: Get an Rx

- Have your provider send a prescription for your GLP1 to Village Apothecary
- Prescribing help is found at www.villageapothecaryrx.com/weightloss
- ***We prefer your primary care physician prescribes your GLP1, or are at least informed that you are using GLP1s!***
- If you don't have a primary MD, we recommend you find one. Telehealth providers licensed in NY are accepted as well
- Once the prescription is received, we will THEN order your GLP1 from our 503b pharmacy
- It takes 2-3 days to receive the product once a prescription is received. *We place orders every other day at 3pm*

STEP 3: Order & Fulfill

- Once the order is received from the 503b pharmacy, we will fill it like we do all prescriptions—quickly and accurately!
- We will take payment and fulfill your order
- You can pick up in-store in Woodstock, or we will deliver for no charge Mon-Fri in Saugerties, Kingston, and Woodstock (and between!)
- ***Someone 18+ must be home to receive the delivery***
- *After you register, a member of our staff will reach out to securely retain a payment method to prevent delays*

REFILLING YOUR ORDERS

To refill, visit www.villageapothecaryrx.com/weightloss/refill. We MUST capture this information to properly track your progress and the order. Speak to a staff person to assist if needed at 845-679-0790.
